

Smetana Large Brian Praeger

**smetana**™s **vyšehrad** and **mythologies of czechness in ..** tion to bartošs, i quote frequently from brian large, smetana (new york: praeger, 1970) and occasionally from john clapham (smetana [london: j. m. dent and sons, 1972]). together, these three sources allowed the smetana my-thology to travel to england and overseas, and, as such, they are of great interest to me here”perhaps even greater interest than the more accurate or original ...
